

:To whom it may concern

General Contractor: Air mechanical & Service Corp.

Electrical Contractor: Dnovo Services, LLC.

Project: Orange County Lila Mitchell Community Center

Project Budget: \$ 2,042,029.61

Project Scope:

Demo all existing mechanical equipment and lighting. Erect a new mechanical CEP including electrical upgrade for new chillers, provide new LED lighting throughout and provide new electrical service to the new HVAC equipment.

This letter is for recommendation to any commercial contractor or commercial building owner/operator that may be seeking electrical services. Dnovo Services has exhibited a high degree of professional management throughout several commercial retrofit and occupied building projects. Dnovo Services fully understood their scope of work and met stringent mile markers within the project schedules. The field staff was knowledgeable in all commercial electrical code requirements providing a seamless professional electrical installation.

Dnovo Services overcame several design challenges providing alternative and cost saving solutions. Dnovo provided extremely good communication working with the GC and Engineers to elaborate and illustrate their solutions.

Air Mechanical & Service Corp. would be pleased to team with Dnovo Services, LLC on any future commercial projects and would recommend their services to others.

Sincerely  
Air Mechanical & Service Corp.
